

ANGRY BIRDS™

STOP THE PIGS!

CHAPTER ONE

The class for angry birds

It was a bad morning for Red. He was angry and he put a cake in a bird's face.

'You're a bad bird, Red,' said Judge Peckinpah. 'Go to the class for angry birds for ten days.'

It was the first day of class.

'Hello,' Matilda said to Red. 'Meet your new friends.'

'I don't want to be here,' answered Red. 'I don't want friends.' He was very angry.

Chuck talked very quickly. Bomb exploded when he was angry. Terence did not speak but he was very, very big.

'Hey, Red,' said Chuck. 'Do you want to do something with us after class?'

'No, I don't,' said Red.

The next day, the birds were in class again. Suddenly Red stopped.

'Listen,' he said. 'What's that?'

'Let's go and see,' said Chuck, and they all went out.
