

# How to answer the exam questions

## Section A: Question 1

Give **two** things you can infer from Source A about...

You will be given a table to complete for this question. You will need to give two **inferences** from the given source and to give details from the source that back up each of your inferences.

As the question is only worth 4 marks, you need to be concise and focused in your answer: keep it brief. Do not write more than is necessary!

A strong, Aryan man stands above his family.

A smiling mother sits with her two youngest children.

A Hitler Youth in uniform stands beside his father.

The three male figures all stare forwards, with deep blue eyes and blonde hair.

A young girl's attention is on her mother and baby sibling.

A young boy, smartly dressed, stands beside his father.

**Winterhilfswerk**

**Ein Volk hilft sich selbst!**

Nazi propaganda poster promoting annual Winter Relief work in 1938. The caption reads 'Winter Relief Work: A people helps itself'.

## DO IT!

- 1 Which details could you use to support each inference below?

The Nazis believed women should focus on raising large families.

The Nazis believed in promoting the purity and superiority of the Aryan race.

The Nazis believed boys should become strong, loyal Nazi soldiers.

The Nazis believed that the male role was that of leader and provider for his family.

- 2 What inference could you draw from the poster caption?
- 3 Pictures are a memorable way of recalling information. Draw a copy of a picture such as the source above and annotate it with links to key topics to jog your memory.

How many links can you add?
