

History Atlas Pairs!

Cleopatra

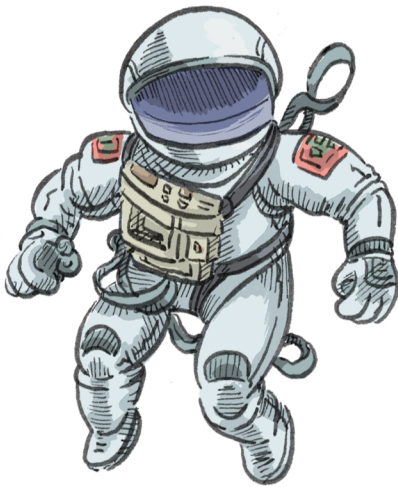

Hypatia

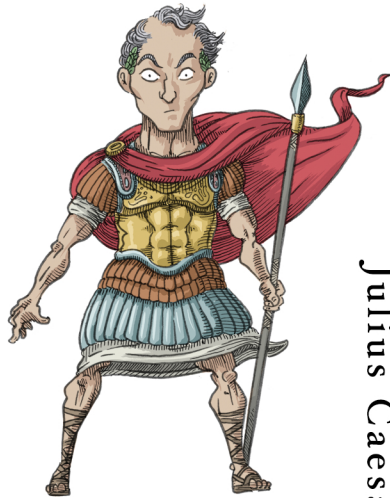

Harriet Tubman

Astronaut

Julius Caesar

Abraham Lincoln

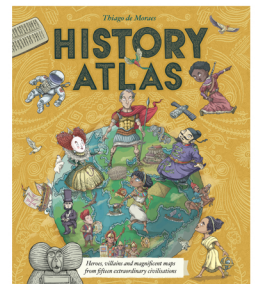

Cut out these cards to play *History Atlas* pairs! The aim of the game is to match the pairs together.

- Shuffle the cards and place them face-down on a table
- Turn over two cards. If they match, remove the cards from the table and put them in a 'win' pile. If they don't match, turn them back over and try to remember where they are.
- Repeat until all the cards are matched up.
- Play with friends or on your own!
