Fiction or non-fiction?

- Look at the book covers. Are they fiction or non-fiction?
- Write **fiction** below the books you think are fiction. Write **non-fiction** below the books you think are non-fiction. Could some be both?

Dear helper

Objective: To understand and use the terms 'fiction' and 'non-fiction' and to predict what a book might be about from its cover.

Task: Make sure your child understands that *fiction* is made up, whereas *non-fiction* is fact. Help your child to talk about and explain the decisions they make about whether the books are fiction or non-fiction.
